IN MEMORIAM

This Town Report is dedicated to the memory
of Albert Labbee, Richard Labbee and
Edward (Brownie) Sikorski for their many
years of service to the Town of Hatfield.

Edward (Brownie) Sikorski
Highway Department Employee

Albert Labbee
Chr. Council on Aging

Richard Labbee
Former Chr. School Committee

"Sweet is the memory of departed friends,
Like the mellow rays of the declining sun,
it falls tenderly, yet sadly upon the heart."

19 Prospect Street
Hatfield, Massachusetts

The Athenian Oath

We will never bring disgrace to this our town, by any act of dishonesty or cowardice, nor ever desert our suffering comrades in the ranks; we will fight for the ideals and sacred things of the town, both alone and with many; we will revere and obey the town's laws and do our best to incite a like respect in those above us who are prone to annul or set them at naught; we will strive unceasingly to quicken the public's sense of civic duty, thus in all these ways we will transmit this town not only less, but greater and more beautiful than it was transmitted to us.

Town Officers for 1983

BOARD OF SELECTMEN

Edward W. Lesko, Jr., *Chairman* (1985)

TOWN OF HATFIELD

COMMONWEALTH OF MASSACHUSETTS

SELECTMEN'S WARRANT

HAMPSHIRE, SS.

To either of the Constables of the Town of Hatfield in said Hampshire County, Greetings:

In the name of the Commonwealth, you are hereby directed to notify and warn the inhabitants of said Town qualified to vote in elections and Town affairs to meet in the Memorial Town Hall in said Hatfield on Tuesday, the seventeenth day of April, 1984, at seven-thirty in the evening to take action on all other articles except Article 1 and to meet on the twenty-fourth day of April, 1984 at ten o'clock in the forenoon, then and there to take action under Article 1.

ARTICLE 1: To choose all necessary Town Officers for the following years, One Moderator for a term of three years; one Selectman for a term of three years; one Selectman for a term of two years; one Town Clerk for a term of three years; one Treasurer for a term of three years; one Town Collector for a term of three years; one Assessor for a term of three years; two members of the School Committee each for a term of three years; one Water Commissioner for a term of three years; one Tree Warden for a term of three years; one Library Trustee for a term of three years; one Elector under the Will of Oliver Smith for a term of one year; one Cemetery Commissioner for a term of three years; one Sewer Commissioner for a term of three years; one member of the Board of Health for a term of three years; one member of the Board of Health for a term of two years; one member of the Board of Health for a term of one year; one member of the Planning Board for a term of five years; one member of the Housing Authority for a term of three years;

and to bring in their votes yes or no on the following question:

"Shall the Town of Hatfield vote to assess an additional \$58,000.00 in real estate and personal property taxes upon the taxpayers of the Town of Hatfield beyond the levy limit established under Proposition 2½?"

YES_____ NO_____

The polls will be opened at ten o'clock in the forenoon on Tuesday, April 24, 1984 and kept open until eight o'clock in the evening.

ARTICLE 2: To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1984, in accordance with the provisions of General Laws, Chapter 44, Section 4 of the Commonwealth of Massachusetts, and to issue a note or notes therefor payable within one (1) year and to renew any note or notes that may be given for a period of less than one (1) year in accordance with the provisions of Chapter 44, Section 17 of the General Laws of the Commonwealth of Massachusetts, or take any action thereon.

ARTICLE 3: To see if the Town will vote to determine what sums of money the Town will raise and appropriate, including appropriations from available funds and Federal Revenue Sharing; to defray the charges and expenses for the Town, including debt and interest; to set the salaries for all elected officials in accordance with the provisions of Chapter 41, Section 108 of the General Laws of the Commonwealth; and to provide for a Reserve Fund for the ensuing year, or take any action thereon.

ARTICLE 4: To see if the Town will vote to appropriate and transfer the sum of \$1,523.00 from the State Aid and Libraries Account, to the Library Account, or take any action thereon.

ARTICLE 5: To see if the Town will vote to raise and appropriate, including appropriation from available funds, the sum of \$41,387.00 as allocated by the Actuary and Certified by the County Commissioners to the Town of Hatfield under the provisions of Chapter 32, General Laws of the Commonwealth as amended, and pay said amount to the Treasurer-Custodian of the Hampshire County Retirement system, or take any action thereon.

ARTICLE 6: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$24,550.00 for the construction and maintenance of town highways in the Town of Hatfield, Massachusetts, for the fiscal year commencing on July 1, 1984 and return the same to Surplus Revenue upon the receipt of funds under Chapter 497 of Massachusetts Acts and Resolves of 1971 allocated to the Town of Hatfield, or take any action thereon.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$8,000.00 to meet the cost of the Town's share of Chapter 90 road construction for fiscal years 1984-1985, or take any action relative thereto.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$456.75 for the payment of dues to the Lower Pioneer Valley Regional Planning Council, or take any action thereon.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum \$12,000.00 for the purchase of a Sander and Used Truck for the Highway Department and to authorize the Board of Selectmen to sell or trade an old sander and truck and return any unused funds to Surplus Revenue at the end of fiscal year, or take any action relative thereto.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$8,000.00 to update values for recertification of all property and to authorize the Board of Assessors to perform said work and to be compensated therefor by parcel count as work is performed, or take any action relative thereto.

ARTICLE 11: To see if the Town will vote to raise and appropriate, or appropriate and transfer from the Stabilization Fund, or from available funds, the sum of \$25,000.00 for the computerization of financial departments within the Town Offices, or take any action relative thereto.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the installation of a new gravel roadway at the Main Street Cemetery, New Section, or take any action relative thereto.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of \$17,000.00 for the purchase and installation of a new heating system for the Town Hall, or take any action relative thereto.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of \$2,300.00 for the modification of the existing Fire Department telephone system, or take any action relative thereto.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of \$2,100.00 for the purchase and installation of a new fence at the Town Landfill, or take any action relative thereto.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for roof, chimney and related major repairs to the Town Hall, or take any action relative thereto.

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the purchase of a Shop Compressor for the Highway Department Garage, or take any action relative thereto.

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for the purpose of rebuilding and/or repaving various Town sidewalks, or take any action relative thereto.

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the re-surfacing of various roads in the Town, or take any action relative thereto.

ARTICLE 20: To see if the Town will vote to transfer a sum of money from the Dog Fund to the Library Account, or take any action relative thereto.

ARTICLE 21: To see if the Town will vote to amend Article 2, section 2.2 of its Zoning By-Law entitled "LOCATIONS OF DISTRICTS: ZONING MAP" and the 'Official Zoning Map of Hatfield, Massachusetts' made a part thereof, as amended, by amending the zone of said map on the following parcel of real estate: Map No. 10, Assessors Parcel No. 75, Boyle, William and Marcus, Area in Acres 42.9, from Industrial (I) to Residential District (RA) and Agricultural Residential (AR) as shown on the March 16, 1984 revision of said map on file in the office of the Town Clerk, and by amending said Article 2, Section 2.2 of said By-Law to read as follows:

2.2 LOCATIONS OF DISTRICTS: ZONING MAP

Said districts are located and bounded as shown on a map on file in the office of the Town Clerk entitled "Official Zoning Map of Hatfield Massachusetts" prepared by Gordon E. Ainsworth and Associates, Inc., as amended. The Zoning Map, which consists of a cover sheet and several sub-sheets with all explanatory matter therein, together with amendments thereof, is hereby made a part of this By-Law."

ARTICLE 22: To see if the Town of Hatfield will vote to accept the provisions of General Laws Chapter 148, Section 26C, said section reading as follows:

In any city or town which accepts this section, apartment houses containing six or more dwelling units, hotels, boarding or lodging houses, or family hotels which are not regulated by sections twenty-six A and twenty-six B shall be equipped with an automatic smoke or heat detector in each dwelling unit and each hallway floor.

The head of the fire department as defined in section one shall enforce the provisions of this section.

ARTICLE 23: To see if the Town will vote to support efforts on state and federal levels to pass legislation aimed at reducing sulfur dioxide emissions and other causes of acid precipitation, in order to reduce the Acid Rain problem in the Commonwealth of Massachusetts or take any action relative thereto.

ARTICLE 24: To see if the Town will vote to allow the Assessors to use a sum of free cash not to exceed \$58,000.00 to keep the Town within the limits of Proposition 2½, or take any action relative thereto.

ARTICLE 25: To see if the Town will vote to hear any and all reports which have to do with the welfare of the Town, or take any action relative thereto.

And you are directed to serve this Warrant by posting attested copies thereof in five (5) places in the Town of Hatfield, at least eight (8) days before the time of said meeting.

HEREOF FAIL NOT, and make due return of this Warrant with your doings thereon to the Clerk at the time and place of said meeting.

Given under our hands this 3rd day of April, in the year of Our Lord One Thousand Nine Hundred and Eighty-Four.

ELECTIONS

ANNUAL TOWN ELECTIONS—April 26, 1983

Total Registered Voters: 1959

Total Vote Cast: 1199, 61% of voters

EXCERPTS FROM TOWN MEETING RECORDS

A complete record of all Town Meeting articles and votes is available for public inspection in the office of the Town Clerk.

SPECIAL TOWN MEETING—April 19, 1983

Article 1. Voted \$90,000.00 to be used by the Water Commissioners, in conjunction with funds appropriated under Article 26 of April 20, 1982 for "Constructing and Equipping of Ground Water Supply Connection in North Hatfield."

Article 2. Voted \$6,500.00 for completion of plumbing on Smith Academy Solar Panels.

ANNUAL TOWN MEETING—April 19, 1983

Article 11. Voted \$11,000.00.00 to purchase new Police Cruiser.

Article 12. Voted \$3,172.50 to purchase 2 Police radios.

Article 13. Voted to accept Chapter 90, Section 20A of Massachusetts General Laws establishing a Parking Clerk.

Article 14. Voted to amend Town By-Laws relative to fines for various violations of by-laws.

Article 15. Voted to amend Town By-Laws by adding a new section prohibiting consumption, possession, and transportation of alcoholic beverages (opened containers) on town property.

Article 16. Voted to amend Town By-Laws by adding a new section adopting fees to be charged by the Town Clerk.

Article 17. Voted to accept Chapter 71S 71E of Massachusetts General Laws, relative to expenditures from Adult Education Courses.

Article 22. Voted \$6,500.00 for purchase of Cascade System for Fire Department.

Article 27. Voted \$21,250.00 for Planning Board to continue the Master Plan mandated by Massachusetts General Laws, Chapter 41, Section 81D.

SPECIAL TOWN MEETING—November 17, 1983

Article 2. Voted \$15,000.00 for repairing and rehabilitating the Town Center Garage.

Article 6. Voted \$4,200.00 for a dust collector system for industrial arts workshop at Smith Academy.

Article 7. Amended Town By-Laws by establishing no parking zones on easterly side of Porter Ave., upon Northwest corner of Prospect and School St. and corner of Bridge Street and School Street and upon access road on southerly side of Town Hall; and upon and around South Main Street Common at Bridge Lane.

Article 8. Accepted provisions of 5.60A of Massachusetts General Laws as amended by Chapter 597 of Acts of '82 which provides exemption of Motor Vehicle Excise Tax to former prisoners of war.

Article 9. Accepted provisions of Section 38A of Chapter 41 of Massachusetts General Laws, to provide for a "Town Collector" who will collect all accounts due the Town, rather than a Tax Collector.

Article 10. Amended Town By-Laws by adding a new section, entitled "Regulation of the Use and Transportation of Poultry Manure."

Respectfully submitted,
G. Louise Slys
Town Clerk

Selectmen's Report

During the past year Hatfield has not seen any major changes or confronted any serious crises. Despite the apparent calm, the Board of Selectmen has moved forward on a number of areas of long-term importance.

The first of these has been continued attention to the maintenance and improvement of the town's physical plant. Last summer Dwight Street was finally repaired, a project that was long overdue. All new street lights have been installed throughout the town. These lights provide 31% more illumination using less energy than the old lights. Two new offices are under construction in our Town Hall and funds have been allocated and plans set for repairing the old town barn and painting the fire station and new town garage.

In addition to maintaining the town's physical plant the Board has also been working to improve the management of your tax dollars. We have put in place a purchase order system which will allow for better accounting of all purchases—large and small. Beginning this spring all town insurance programs will be bid at the same time, allowing for better management of this major expense. Last fall an energy audit was conducted on the fire station to improve its energy efficiency.

The Board of Selectmen is also developing ways to improve the effectiveness of town government. Beginning this coming fiscal year a single town collector will handle many of the taxes and fees that were previously collected by a number of individuals. The Board is also well on the way to establishing a Department of Public Works which will more effectively coordinate all public work projects.

But Hatfield is more than trees, buildings, and jobs. It's a community of people living and working together. The Board of Selectmen has been actively engaged in maintaining and improving the quality of life in town. We have supported the Council on Aging's use of the Town Hall basement and the new Teen Center's use of the Milk School. Most of last summer the Board worked with residents and farmers to resolve the fly problem in town. Unfortunately, though the Board was able to get an out of state poultryman to use a feed additive, that additive was later banned by the federal government. This fall the Board successfully worked with a neighborhood group to resolve a problem with a local business.

Perhaps of most importance to the long-term future of the town has been the regular meetings of the Board of Selectmen and the Industrial Development Commission. Through those meetings we have begun the long task of strengthening Hatfield's tax base and of creating jobs while maintaining the character of the town. A small part of that program was the active role the Board took in inviting a new bank to Main Street.

We've had some set-backs too. The most notable of these have been the loss of two grants that had made it through the entire State review process only to be cut in the final round of competition. The Board will continue to apply for every grant for which Hatfield qualifies. But, given our relative economic strength, we qualify for very few. So in a very real sense the difficulty of getting grant money is a measure of Hatfield's good fortune. Even so, we have taken our case to the County Commissioners and Representative Nagle, seeking the establishment of a grant pool specifically for towns like ours.

A sincere thanks to all residents and town departments for their cooperation in the past year.

Edward W. Lesko, *Chairman*
Eugene F. Proulx
William H. Erklauer

Police Report

To the Citizens of Hatfield:

During the past year various members have received training in the following: Basic Law Examinations, Radar, Accident Investigation, Arson Investigation, C.P.R., First Aid, and E.M.T. training.

I respectfully submit the following report of 1983:

Complaints received and investigated	587	Larceny under \$100	20
Complaints referred to other dept.	17	Larceny from Building	6
Doors found open	83	Malicious damage to Building	6
Fires attended	23	Malicious damage to property	18
Ambulance Calls attended	17	Break & Entering in the Night Time	5
Hospital trips	5	Break & Entering in the Day Time	8
State Institution trips	3	Speeding complaints	117
Accidents reported	28	Speeding warnings	93
Accidents investigated	25	Failure to stay within marked lanes	14
Show cause hearings	9	Leaving scene of accident	6
Search warrants served	1	Stop sign violation	9
Summons served	39	Failure to display registration plates	2
Warrants served	11	Inspection sticker	16
Restraining orders served	4	Operating under influence	9
Check alarms which went off	25	Driving to endanger	3
Firearms I.D. cards issued	28	Illegally attaching plates	3
Firearms permits issued	62	Defective equipment	9
Bomb threats investigated	1	Loud & objectionable noise	1
Vehicle towed	23	No registration in possession	2
Arrests made	29	Unregistered & uninsured	4
Protective custody	9	Operating with no license	5
Delinquent child	16	No license in possession	3
Trespass notices given	10	Driving after suspension of license	5
Recovered motor vehicle	1	Failure to use care in starting	1
Recovered property	28	Failure to submit for a police officer	3
Larceny over \$100	125	Possession of alcohol under 20 years old	12

Zoning Board of Appeals

The Zoning Board of Appeals holds regular meetings on the first Wednesday of each month at 7:00 P.M. except July and August.

Public hearings on petitions for variances are held as needed.

Respectfully submitted,
 Thaddeus Kabat, *Chairman*
 Giles Desmond, *Clerk*
 Lawrence Stoddard, *Member*
 Thomas Yarrows, *Alternate*
 Robert Banister, *Alternate*

Hatfield Visiting Nurse Association

Balance as of July 1, 1982		\$	386.26

In 1983, 383 nursing visits; 137 physical therapy visits; 6 occupational visits and 24 social work visits were made. The Home Health Aids provided 855½ hours of service to patients. All visits were made to patient's homes.

Respectfully submitted,
Margaret A. Cantwell
Treasurer

High School Building Committee

During the year 1983 January through December, the building committee accomplished the following:

- 1 Applied liquid fertilizer to the grounds.
- 2 Purchased a shot clock for the girls' basketball program.
- 3 Allocated funds to upgrade the audio system in the gym.

Board of Registrars

The regular activities of the Board of Registrars were handled throughout the year, including the registration of voters at specific times, managing the polls at the time of elections and overseeing the annual Census, summary of information and publishing the annual Street List. 1984 was a more "quiet" year for the board, with the lack of any State or National Primaries or Elections.

The computerized system to maintain our street and voters list has proved very practical and successful. After the initial input of the complete list in 1982, the updating of changes is handled very easily, with much less clerical time. The special advantage is the availability of a current and correct voters list, after every registration. In addition, we are now able to provide specialized lists for various departments, such as a list of all elderly persons for use by the Council on Aging.

The Board wishes to thank the census takers, poll workers and office staff for their assistance during the past year.

Respectfully submitted,
Board of Registrars
Mildred Z. Osley, *Chairman*
Helen H. Bardwell
Americo Zerner
G. Louise Slys, *Clerk*

Water Commissioner's Report

To the Citizens of Hatfield:

Many improvements have been made to lands, waterways, and equipment under the jurisdiction of the Board of Water Commissioners this past year.

This Board is pleased to announce that \$ 49,447.23 was yielded in the sale of lumber and cordwood cut in the Town watershed. Lincoln Fish of the Bay State Forestry Service supervised this project. On September 16, 1983, Richard Kulus, a forester for the State Department of Environmental Management inspected the site. His report stated that this was an outstanding job with no overcutting.

We hired the Hatfield Boy Scouts, under the leadership of John Rankin, to plant 3000 trees on the watershed where logging was done in previous years. They did an excellent job.

The Omasta Well was put into operation in mid July. It was dedicated on August 29, 1983 in the name of George and Elizabeth Omasta who owned the land on which the well stands. This new well was put to the supreme test this summer, the driest we have experienced in many years. No water ban had to be imposed because the well produced water so adequately. However, we recognize and appreciate all measures of water conservation still practiced by Townspeople.

A new 6 inch water line and fire hydrant were installed on Day Avenue.

Senator John Olver's office has informed the Board that the Town will receive \$ 45,000 from a State grant. This money will be used to install an 8 inch pipe from Pantry Road along Mountain Drive, across Route 5, and tie into the 10 inch line near the North Hatfield Post Office.

The Board continues to receive excellent reports on the quality of Town Water. Once again, we wish to thank Water Superintendent, Bernard (Chelsea) Pelis for his dedicated service in helping provide excellent water to the Town. He makes our job a lot easier.

We are grateful for the assistance that the Highway Department Superintendent and crew, and the Board of Selectmen have given this Board this year.

Respectfully submitted,
Robert J. Cutter, *Chairman*
Walter R. Thayer, Jr.
Ralph F. Vollinger

Librarian's Report

I hereby submit my third annual report as Librarian of the Hatfield Public Library.

The circulation for the year ending June 30, 1983 was 19,695 books and periodicals. More than 548 new books were catalogued and added to the shelves. 172 films were borrowed for the local schools from the Western Mass. Regional Library System. The Bookmobile and Inter-Library Loan Department of the WRLS were very helpful in supplying material not available in our library.

In order to complete requirements for state certification for director of a small library I attended a series of workshops on Book Selection. I received certification in May 1983.

The Hatfield Book Club was again most generous to the town library. The Club members again sponsored the most successful Summer Reading Program and helped to purchase a set of children's reference books. The library is thankful for this continuous support. Thanks also to Jane Yolen Stemple for her many donations of new books and to all townspeople who gave books and periodicals throughout the year.

We are most grateful to our story tellers who have made our story times successful. Thanks to Jan Sievers, Ruth Drury, Kitty Munley, Ann Walaszek, Eileen Flavin and Chris Yagodzinski.

During the year the Trustees had the exterior trim of the library painted. New aluminum gutters were installed on the back room and two storm windows were purchased for the front room.

Library hours are Monday and Friday 11:00 AM to 1:30 PM and 6:45 PM to 9:00 PM and Wednesday 11:00 AM to 4:30 PM. Summer hours are Tuesday 2:30 PM to 4:30 PM and 6:45 PM to 9:00 PM and on Friday 6:45 PM to 9:00 PM.

I would like to express my thanks and appreciation to my assistant Linda Vollinger and to the Trustees for their assistance during the year.

Respectfully submitted,
Carol M. Symanski
Librarian

Report of the Tree Warden

We took over the Department in June. The remaining funds were spent removing tree stumps and reseeding those sites. Some dangerous limbs were removed.

A survey of the town trees was taken and a list of dead or dying trees and trimming and cabling needs was made. Priority for the next fiscal year is given to the most dangerous situations.

Each spring the Department has a limited amount of funding available for planting trees. Anyone interested in having a tree planted in front of their property should contact the Tree Department.

Anyone wanting to pick up firewood from any removal site should do the same. Abutters of these sites have first priority and must remove it from the site within 48 hours. Afterwards the wood is available on a first come, first serve basis, according to the Department's list of requests.

Respectfully submitted,
David Dulong, *Tree Warden*
Kathleen Rutkiewicz, *Deputy Tree Warden*

Annual Report of the Recreation Committee

The Hatfield Recreation Committee has again experienced a very successful season by providing a multitude of programs for the youth of the community.

The summer program at the elementary playground, provided a variety of activities for this age group.

The baseball program provided an opportunity for students from second grade through eighth grade to participate in the youth baseball program and the Teen League.

The girls softball program directed by Cindy Sadowski was again very successful.

The co-ed soccer program co-directed by Mike and Judy Ryan continued its increased popularity. The season was completed by competing in the Eaglebrook Tournament. The recreation committee also sponsored a 7th and 8th grade soccer Travel Team which was extremely successful by ending the season as the number Two Team in the league. A special thanks go out to John Guzik and Said Modaries for their time and effort.

The basketball program for boys consisted of an in-house league and a Travel Team which joined the Pioneer Valley League. A girls basketball program was run concurrently with the boys program.

The annual family picnic sponsored by the Recreation Committee was held at the Lion's Pavilion. It was well attended and a good time was had by all.

The Recreation Committee accepted with regret the resignation of its Chairperson, Rocco Barbuto, and its Secretary, James Copper. A special thanks of appreciation go out to these gentlemen for the time and effort they had devoted to this committee.

The committee welcomed two new members, Elizabeth Kugler and Bruce Brown. Joe Pelis was elected Chairman, Timothy Carroll, Secretary and Cindy Sadowski, Treasurer.

The committee decided to explore the idea of establishing a Teen Center for Hatfield.

The Recreation Committee would like to thank all volunteers who donated several hours of their time in organizing and coaching several of our programs. Without these people we could not successfully provide these activities for the youth of Hatfield. A special thanks to the Hatfield Sports Boosters Association for their cooperation and support.

Respectfully submitted,
Joseph Pelis, *Chairman*
Timothy Carroll
Bruce Brown
Elizabeth Kugler
Cynthia Sadowski

Ambulance Service Report

To the citizens of Hatfield,

Due to the generosity and encouragement of our townspeople and neighboring communities, the Hampshire County has educated and certified 17 Emergency Medical Technicians to serve the first year on the Hatfield Ambulance Service. The ambulance service has been in operation since April 1, 1983 with an expected number of 150 calls per year. After 6 months in service, there have been approximately 50 runs.

Hospitals serviced are: Cooley-Dickinson, Franklin Medical Center, Farren Memorial, Holyoke Hospital, and Amherst Medical Center, per patient request.

Calls are answered on a voluntary basis. To make response faster and more efficient, EMTs that live close to the caller, respond directly to the scene before the ambulance arrives.

EMT Association meetings are held on the third Thursday of each month at the Fire Station EMT room. Officers are; President—William Beldon, Vice Pres.—Carol Benson, Secretary—Peter Pollard, Treasurer—Nanci Dombkowski.

In order to maintain professional, high standards and update quality of care, EMTs are required by Mass. law to obtain Continuing Education Units every 2 years to remain licenced. This entails regular attended classes and improved skills. We have several advanced trained personnel including: 3 CPR instructors, 6 MAST (Military Anti-shock Trousers) certified EMTs, 8 Nationally Registered EMTs, and 1 advanced life support provider.

We sincerely thank the members of the Ambulance Committee, the Selectman, the Town Hall staff, and you, the townspeople, for helping to make the first critical year successful. We intend to maintain the highest standards of care that the townspeople deserve and can be proud of.

Respectfully submitted,

Board of Sewer Commissioners Report

To the Citizens of Hatfield:

Final design of the wastewater treatment plant, four wastewater pumping stations and six miles of sewers and force mains, was completed during FY 1983. Plans, specifications, and a Step III application for construction grant funds were submitted to the Massachusetts Department of Environmental Quality Engineering.

The project scope originally only provided for new sanitary sewers in Prospect and School Streets. However, the Town's Consultant C.E. Maguire Inc. has been successful in receiving the grant-eligible replacement of the inadequate sanitary sewers in the Brad street area, Raymond Avenue and in part of Chestnut Street. In addition, a pressure sewer system, consisting of individual grinder pumps at each residence and a common force main, will be installed in South Street to separate storm water and sanitary wastewater flows.

A special stipulation to the Town's wastewater improvements grant is that the Town remove, at its own expense, all non-eligible cost-effective inflow sources (storm water) from the sanitary sewers prior to the award of the Construction Grant. The Board of Selectmen have authorized the Highway Department to perform this work.

Next year should see construction begin on the water pollution control project which has been in the making for almost three decades. The Board of Sewer Commissioners is pleased to report this year's significant progress.

Respectfully submitted,
Francis Hebert, *Chairman*
Frederick Dzialo
Frank Motyka

Council on Aging

To the Citizens of Hatfield:

The Council on Aging is pleased to report its activities for the eleventh year.

Many thanks to the Volunteers who packed and moved equipment from the Capawonk Housing to the newly renovated Senior Center in the Town Hall. Open house was held with many Dignitaries from the Boston office of the Council on Aging, and also from Hampshire County.

The Board of Selectmen accepted with regret the resignation of Albert Labbee, Chairman of the Council, due to ill health. Many thanks to Albert for his excellent work over the years for the Council and Highland Valley Nutrition Program. Frank Godek and Irene Dzwil were appointed to the Council.

Delia Baceski, Coordinator of Activities, arranged trips to Atlantic City, Foliage Tour, Christmas Party, Cape Cod, Nordic Lodge, and Eastern States.

Blood Pressure Clinic is held on the second Monday of each month. Flu Clinic was held with 70 Flu shots administered to the elderly. Foot Clinic was held this year. Our thanks to the Volunteer Nurses for their services.

Highland Valley Nutrition Program continues to serve a well balanced lunch to the elderly five days a week. Senior Center served 1050 hot lunches and home delivery hot lunches totaled 1125. Thanks to all volunteers who serve and deliver lunches.

Mini Bus Transportation is available to all town seniors who do not have any means of transportation. This Fiscal year 1357 elderly were transported for a total of 2,628 miles.

Respectfully submitted,
Frank J. Godek, *Chairman*
Giles F. Desmond, *Vice-Chairman*
Ida Lizek, *Secretary*
Laura Eberlein, *Treasurer*
Irene Dzwil, *Historian*

Planning Board Report

To the Citizens of Hatfield:

During the past year, the Planning Board has spent extensive time and effort on the numerous applications for a Special Permit. The Special Permit process requires that the Granting Authority (The Planning Board) take decisive action within time parameters scheduled by law. The board has had to limit its time on other projects because of the full calendar of Special Permit Hearings.

The Planning Board, in conjunction with the Comprehensive Land Use Sub-Committee and Mr. William Garrity of A. Huntley & Associates, has been working towards a Master Plan for the Town. Many of the maps have been completed, and we look forward to presenting the project in the near future.

The Planning Board wishes to take this opportunity to thank all who have assisted us this past year.

Respectfully submitted,
Edward Pat Molloy, *Chairman*
Robert T. Bartlett, *Secretary*
Donald Osley
Thomas Myers
Daniel P. Barry

Report of the Board of Assessors

Value of Assessed Land and Buildings	\$ 74,871,250.00
Value of Personal Property	2,564,459.00

Licenses	10,000.00
All Others	1,000.00

Amount to be Raised by Taxation

1,165,407.42

A complete revaluation of properties in the town was completed during the year. Less than 10% of the properties were adjusted after the tax rate was set. Corrections have been adjusted and all information is in the computer. The Department of Revenue has strict guide lines that must be followed before the 1984 rate may be set. We hope all these conditions are met so that the 1984 rate will be set before December 31, 1983. We are compelled to keep all property at a full and fair cash value on a yearly basis.

Respectfully submitted,
Richard D. Belden, *Chairman*
Lewis Wendolowski
Harold Lizek

The Hatfield Arts Lottery Council

The Hatfield Arts Lottery Council is proud to report that of the 15 applications for funds it received over the past year the Council was able to award 6 grants totalling \$1,004.00 in Arts Lottery funds to the following local artists and cultural organizations for the purpose of promoting the growth of the Arts in Hatfield.

1. John O. Braudis—Painting
2. Hatfield Ancient Fyfe and Drum Corps
- *3. Smith Academy—funding for local traveling Artists Program.
- *4. Breor Elementary School—Wall Mosaic
- *5. Breor Elementary School—"Breor on the Way" slide/tape.
- *6. Hatfield Teen Center—Art Supplies and Materials.

Monies for these projects were generated from the Megabucks lottery game. We believe that these projects will benefit our local artists, cultural organizations and our community in particular. We invite persons interested in serving on the Arts Council to contact the Chairman. Currently, members of the Hatfield Arts Council include: Elinor Bell, Karyl Lynch, Ann Ouimet, Judith Ryan and Jane Yolen Stemple.

* Pending Final State Approval

Respectfully submitted,
Charles O'Dowd, *Chairman*

Report of the School Committee

To the Citizens of Hatfield:

The Hatfield School Committee was composed of the following members:

Frank Dombkowski, *Chairman*

Joyce Belden, *Secretary*

Anthony Symanski

Dorothy Breor

Douglas Jones

and abided by the Department of Education rules and regulations as an appendage of that State Office. This report as submitted covers the time frame of July 1, 1982 through June 30, 1983.

During this period of time, Dr. David Stemple resigned his position due to a heavy job commitment, and Mr. Michael Cahill was appointed jointly by the Boards of Education and Selectmen. Both Citizens served their schools admirably and should be recognized for their personal contributions to the Hatfield Schools. Mr. Douglas Aones ran unopposed to fill the seat in April.

Mr. Anthony Symanski served as chairman for many years and ended his leadership role for the school committee in June 1983. The schools weathered a transitional state through his consistent and admirable leadership. Mr. Frank Dombkowski was selected to chair the committee and Joyce Belden was elected as Secretary.

The budget for the operating year was \$964,488.00 and the town approved \$984,000.00 for the next year of operation.

Smith Academy's solar project began to gain attention regionally and nationally because of its uniqueness. The measure of its true success has yet to be ascertained, but it is in its first year of operation and there has been some energy savings.

The Dorothy Breor Elementary School is beginning to witness roof wear and tear due to normal aging process in New England.

The School Committee is pleased to acknowledge the following awards:

Report of the Superintendent and Principal of Smith Academy

To the Citizens and Students of Hatfield

This report will be comprehensive to include the many sub-departments within the school operation. It is written in accordance with the General Laws, Chapter 40, Sec. 49 of the Commonwealth and the policies of the Hatfield School Committee for the time period of July 1, 1982 to June 30, 1983.

The curriculum K-12 has begun to adjust to help our students meet the demands made upon them in a rather fast moving society. Foreign language is made available to the junior high and elementary student. The elementary school has begun utilization of the computer on a limited basis.

Other steps were taken that will have long range educational value. The School Committee supported the initiation of a preschool program held for the Town's 3 (three) and 4 (four) year olds. It is a self supporting opportunity and one of the first in the state. The health curriculum is being brought to life and the woodshop at Smith Academy is now functional and utilized by both student and adult through programs provided.

The age requirement for initial formal school entrance is five years of age in the same year that school opens in September. For example, any child having a fifth birthday between January 1, 1983 and on or before December 31, 1983 may enter kindergarten in September, 1983. Birth certificates, immunization records and a physical examination by a doctor are all requirements that need to be met according to the General Laws of Massachusetts.

The year saw school cancelled only once because of a bad storm. The policy of the Hatfield Public School is to hold regular sessions whenever feasible to run the school buses. It will always be the intent to delay if weather conditions are questionable. All "delays" or "No-School" announcements will be broadcast over radio stations WHMP, WITT, WHYN and others between 6:00 a.m. and 8:00 a.m. Rather than call the stations, please listen for the announcement. No message means school is in session.

The Smith Academy is in the important process of seeking accreditation from the New England Association of Schools and Colleges. Our team visit is scheduled for Mid-October 1984 and the decision to follow in 1985.

The students at Smith Academy enjoyed an extremely successful year in all areas of student activities. The Key Club/Student Council finished very high in 5th place in the Toys for Tots Campaign. The "As Schools Match Wits Team" proved to be extremely successful losing a close match in the semi-finals. The Key' Club continues to expand its services to meet the needs of total community. They are fine ambassadors of our school.

Athletically, Smith Academy continued its tradition to excell. The Field Hockey Team and Soccer Team both won their league championships and played in the Western Mass. semi-finals. The Boys Basketball Team endured their pre-season pressure and became league and Western Mass. Champions finishing at 22-1 for the season. There was no state tournament again this year.

The cheerleaders shined for 1983. They won three first places in tournaments and won the grand championship. They sponsored their own tournament held on the Campus of Smith College during the Winter Carnival.

Academically, the school is moving in the right direction in helping prepare our students for the competition ahead. There is concern of finances for the future and every employee as well as school committee member is searching for ways to be fiscally conservative. Citizens of Hatfield have always cherished their schools, and for your support we are grateful. With the national and state focus on education today, we too want our youth ready to take their place in society.

Respectfully and Sincerely,
N. William Green
Superintendent of Schools

Report of the Principal

Dorothy M. Breor Elementary School

To the School Committee and Superintendent of Schools:

The following report is submitted for the Dorothy M. Breor Elementary School for the period July 1, 1982 to June 30, 1983. The main objective at the elementary school is to provide the best possible education to develop each individual student to his/her maximum potential. This development is centered around meeting their needs and providing them with the tools necessary to function and be successful in today's ever changing society.

Our program to maximize each child's development includes an excellent teaching and support staff, a relevant curriculum and necessary materials to carry out the program. We have also been blessed at the elementary school with outstanding community support by way of townspeople who have volunteered their time and support in helping us provide a positive educational program.

Our school continues to participate in the statewide implementation of the Basic Skills Improvement Policy. Students in Grade 3 and 6 were tested in Mathematics, Reading, Language Arts and Listening Skills. Those students who had a weakness in any area received supplementary instruction in individual areas through our Remedial Reading (Chapter 1) and Special Education Programs. Our Chapter 1 Program received commendations from the State Department of Education as being an exemplary program.

In curriculum development, we began a revision of our science curriculum, updating of our mathematics curriculum, and purchased materials in social studies. These projects are a part of our ongoing revision process. Our teachers took part in two Curriculum Courses funded by the Massachusetts Department of Education to upgrade their curriculum awareness. The titles of these courses were:

1. Enrichment Activities in the Regular Classroom
2. Computer Awareness for Elementary Teachers

Our Parent-Teacher Council was very active in providing a closer tie between the family and the school. Through their very successful fund raising efforts, the following were provided:

1. An Apple IIe Computer complete with disc drive and color monitor
2. Field Trips to Laughing Brook, the Little Red School House, Springfield Science Museum, Worcester Science Center, and Old Sturbridge Village. (Grade 6 sponsored their own field trip to Boston through their magazine drive).
3. Sponsorship of Open House, Our First Annual Fun Night, Our "Spelling Bee" and Science Fair.
4. A free "Make Your Own Sundae Party" for our students because of the outstanding membership drive.
5. Ice Cream for Field Day participants. Special thanks to all of our parents, helpers, and in particular, the officers: Mrs. Jan Sievers, Mrs. Missie Sullivan, Mrs. Cindy Sadowski, Mrs. MaryAnn Burke, and Mrs. Judy Patnode.

The following special programs were held at the elementary school during the year:

*Christmas Program—Grades 4-6, Spring Program—Grades K-3, Arbor Day Program—Grade 5, Memorial Day Program—all grades, Field Day Program—all grades.

*A special event for Grade 6—A "Moving Up" Ceremony provided a special departure for our students prior to entering Smith Academy. The event was made possible by the generous donation of the PTC, the American Legion, the Hatfield Lions Club, the Sports Booster Club, the Firemen's Association, and the Polish Club.

We continued to publish our monthly calendar of events and our newspaper, "The Breor Bugle" to increase home-school communication. We are indebted to Mr. Thomas Wickles of Wickles Fine Print, who provided both the paper and the printing of our paper.

The school also participated in conjunction with the town library in a poem and essay contest and a poster contest for National Library Week. We also participated in a poster contest with the Fire Department for "Fire Prevention Week."

Our volunteers were honored in June with a special "School Volunteers Recognition Luncheon" in honor of their many contributions during the year. To the following individuals and organizations we are especially grateful:

Library Aides

Mrs. Phyllis Muccino
Mrs. Linda Strzegowski
Mrs. Norma Winskye
Mrs. Jan Sievers
Mrs. Candance Johnson

Mrs. Lucille Daniels
Mrs. Judy Patnode
Mrs. Judy Ryan
Mrs. Bonnie Barry
Mrs. Carol Demers
Mrs. Helen Wendolowski

Mrs. Ruth Drury
Mrs. Janet O'Dea
Mrs. Janet Cahill
Mrs. Loretta Stevens
Mrs. Missie Sullivan

School Volunteers

Mrs. Kathy Grandonico

Mrs. Judy Strong

Mrs. Jane Cahill

Library Books and Materials

Jane Yolen Stemple

The Hatfield Book Club

The Worle Family

A personal note of thanks for all the community support for your schools. We are indebted to your concern, effort and active participation in making your schools a better place to educate.

Respectfully submitted,
Richard J. Cunningham
Principal

Report of Director of Student Services

To the School Committee and Superintendent of Schools

Basic Skills

During the month of November, 1982 all students in Grade 9 took part in Basic Skills Testing. All were tested in the areas of Reading, Math, Writing, and Listening. This was the first year of testing since the standards were raised. All ninth grade students successfully passed the listening, reading, and math, with the exception of those exempted due to special needs. In the area of writing, one student was not able to meet minimum standards.

In May, Grades 3 and 6 were given the Stanford Achievement Tests which this year was used to determine minimum standards. In Grade 3, all students met minimum standards in Reading, Math, Listening, and Writing. In Grade 6, all students met minimum standards with the exception of two students exempted.

Pre-School Program

After many months of planning and negotiating, the school department began the Pre-School in September, 1983 at the Dorothy M. Breor Elementary School. During the summer we were very fortunate to hire Mrs.

Cary Stuebing as the Pre-School Teacher. Mrs. Stuebing has a Masters Degree in Early Childhood Education from New York University and has years experience teaching young children.

The Pre-School is essentially two programs, one for three year old's and one for four year old's. The three year old program meets for two days per week for one session and has fifteen children enrolled. The four year old program meets three days per week and has two sessions with twenty enrolled.

The Pre-School Program is a self-supported program which falls under the jurisdiction of the school committee. There are no town funds which support this program.

Speech and Language Therapy

Approximately twenty-eight students in the pre-school, elementary, and secondary schools receive communication remediation. Services are designed to augment classroom oral language programs and promote appropriate social interaction. Approximately one-half of the children are seen for articulation disorders, one-third for language disorders, and one-sixth for voice, fluency, or auditory deficits.

Therapy is provided in the most appropriate atmosphere either within the classroom or the resources room.

The program stresses home involvement, and in most cases, homework is provided. Parents are encouraged to visit therapy sessions to observe their child and discuss progress during parents week in March. Monthly progress reports are sent home to all parents.

In addition to provided direct services, a once a week "Oral Language Experience" is offered both in the kindergarten and first grade. This program stresses an overall communications program rather than specific training in selected psycholinguistic processes. The curriculum is based around the Peabody Language Intervention Program and stimulates receptive, associative, and expressive components of oral language. This time in these classes has allowed the therapist to assist in identifying children who may need services. Classroom teachers feel this is a highly beneficial program.

Special Services—Elementary Resource

In the resource room at the elementary school, 23 students received tutorial and instructional services. Most of these services were in the areas of reading, math, spelling, penmanship, and attentional deficits which are skill oriented.

The intent of this program at the elementary school is to keep the child in the mainstream and to provide the least restrictive educational environment. Another important aspect of the program is to try to identify any student deficits as early as possible so that intervention and remediation can be easily achieved. Much emphasis is placed on early intervention and during the latter part of April, kindergarten screening took place. Parents of Pre-School children ages 3 and 4 were also invited to participate. The screening covered the areas of fine motor, gross motor, cognitive development, speech and language, vision and hearing.

During the latter part of the school year, the elementary resource room was fortunate to receive money enabling the school to purchase a micro computer for remedial instructional and administrative use. Monies were also made available through the grant to acquire additional software.

Special Services—Secondary Resource

During the past year, 23 students received Special Services at Smith Academy. Most of these students have received these services at some point during their schooling.

For most students, the resource room period replaces a group study. The students are provided with individual and small group tutoring. Basic mathematical and reading skills are taught and reinforced. Organizational and proper study habits are reinforced. The regular classroom texts in many subject areas are followed daily, and review work is done in preparation for tests. Homework is also completed in the resource room.

Monitoring and feedback of progress are provided for many students. These students do not need direct support in their major subject areas, however, they do need prompting and reinforcement to help them maintain and improve their grades. Communication with regular classroom teachers is an essential on-going

procedure since each student has multiple teachers. Paramount to this is home-school coordination, and written communication is provided to parents in the form of progress reports at two week intervals in some instances, and mostly at five week intervals. Meetings are planned when necessary.

Psychological Services

During the past year, 22 students received counseling on a weekly basis according to their needs. Some students were seen twice a week while most attended either group or individual sessions once a week.

Cases that are dealt with vary from specific learning disabilities with an accompanying emotional component, to inability to complete assignments, produce legible work, behave within the context of a classroom or group, or inability to follow directions. Other problems include attentional behavioral deficits, preoccupation with problems, and withdrawn or disruptive behavior. Support services in the form of parental guidance and close monitoring of the home-component by the psychologist in conjunction with the staff are maintained.

The policy of the school remains that every attempt is made to pick up and deal with behavioral and academic deficits which may appear to be rather minimal, but upon closer inspection could easily develop into significant problems if overlooked. As a result, referrals on the elementary level are proportionately higher.

Respectfully submitted,
Raymond G. Sylvain
Director of Student Services

School Health

In compliance with the regulations established by the State Department of Public Health, all physical examinations have been completed on students in grades 4, 7, 11 and all athletes of grades 8, 9 and 12. All children of the Kindergarten class received a comprehensive examination from their own physician.

The Titmus Vision test was administered to 499 students with 17 referrals made for correction. The Pure Tone Hearing test was given to 486 students with four failing the retest.

Communicable diseases reported during the year are as follows:

Chicken Pox 34 Scarlet Fever 3

Registration for entering Kindergarten children was held in April. There were 34 children who attended.

In January, a directive was received from the State Department of Public Health stating that Mumps Vaccine was mandatory for all school enterers on September 1, 1983. A review was made of all health cards. Notices were sent to the parents of 14 students who did not have the immunization.

In October of 1982, an application was made for a grant to initiate a Flouride Mouth rinse program in the school to begin in January 1983 and to continue through June. The grant was approved and our students received the rinse on a weekly basis. All supplies were provided by the State Department of Public Health at no cost to the school. Of the 244 who were eligible in grades K-6, 204 students participated with parental consent.

Postural screening was done on all students in grades 5 thru 9. The initial screening was done by the Physical Education Instructors. Of the 207 screened, 32 were referred to the school nurse for rescreening. Notices were sent to the parents of 3 students for evaluation by their own physicians. All were confirmed as having scoliosis with two undergoing observation and one being treated with a back brace.

The Immunization records of Kindergarten and all new school enterers were reviewed and were in compliance with the regulations adopted by the Massachusetts Department of Communicable Diseases. The required reports were forwarded to the State Department.

Respectfully submitted,
Lucille H. Godek, R.N.
School Nurse

School Lunch Program

To the School Committee and Citizens of Hatfield:

The Cafeteria Staff consists of the following personnel:

Mrs. Barbara Petcen, <i>Food Service Manager</i>	Mrs. Phyllis Kuzontkoski
Mrs. Mary Hoffman, <i>Head Cook, Elementary School</i>	Mrs. Wanda Shea
Mrs. Lucy Zagranic, <i>Head Cook, Secondary School</i>	Mrs. Mary Vachula
Mrs. Christine Hanks	Mrs. Mary Winters
Mrs. Louise Holhut	

The total number of meals prepared and served was 45,461 of which 44,565 were student meals, 163 student workers, and 896 paid adult meals. Of this total, 36,227 were student paid meals, 4,295 student reduced price meals, and 3,880 student free meals. The price of the meal remained the same as last year. The total number of days served was 173.

Respectfully submitted,
Mrs. Barbara Petcen
Food Service Manager
